

5-Steps - Travelling With DART during Covid

We are committed to your safety and well-being and have implemented the following 5 steps to protect you and our staff.

Booking

Via Telephone, Website and Email - you will be asked to confirm you are Covid free by DART staff 24 hours from travel.

STEP
01

STEP
02

Pre-Boarding

You will be required to confirm you are Covid free to your driver via a health declaration prior to boarding

Temperature Check

You will give consent to our driver to check your temperature prior to boarding

STEP
03

STEP
04

Mask Adherence

Masks must be worn at all times on board our vehicles unless you have a medical exemption

Essential Travel Companion

You are encouraged to bring along an essential travel companion from your support bubble if needed.

5-Steps - DART Covid Prevention Protocol for Vehicles

We are committed to your safety and well-being and have implemented the following steps to protect you and our staff.

Social Distancing

Social Distancing must be maintained at all times around our vehicles, drivers and on board during travel

STEP
01

STEP
02

Vehicle Cleaning

All vehicles are subject to a high contact point sanitisation using disinfectant before and after every journey.

Disposable Seat Covers

Disposable seat covers are used for each journey for infection control purposes.

STEP
03

STEP
04

Anti-Viral Fumigation

All our buses are fumigated with a anti-viral fog between each journey to maximise infection control.

On Board Hand Sanitizing

You must use the hand sanitiser provided prior to boarding and upon leaving the vehicle
